From humble beginnings Venkateshwara Electricals was able to leverage from the experience he gained during his early heavy industrial days.

We've never forgotten our roots and who we are and we're extremely proud of what we do – no job is too large or too small for VE

With a combination of astute electrical problem solving skills, a passion for customer service and a can do attitude, quickly found a way to deliver successful electrical outcomes for residential and domestic customers throughout Telangana & AP. During the early years and with organic growth, business reputation spread through out the wider Telangana regions and services in NEW AP introduced to deal with ever increasing demand.

Today, underpinned by the original five core company values of Safety, Honesty, Integrity, Transparency and Innovation Venkateshwara Group now employs 150 staff across its Services & Projects business units. As we did from week one, we continue to provide cutting edge electrical solutions to customers and major clients in Telangana & AP .

HSE Health, Safety & Environment

The safety of our workforce is the most important aspect of our business, no exception. SGIH aims to stay at the fore front of the industry and have adopted and developed HSE policies and management practices that sees the quality control of every task. Our Safety systems are in accordance with AS/NZS 4801:2001 and they are installed into our employees ensuring that our work is completed with zero harm as our #1 priority.

On Going Projects

Venkateshwara has over a century of project execution and management. experience. Our in-house Estimating and Project Controls teams have the know-how to deliver major projects on time and to budget. Our flexible delivery model encompasses early contractor involvement (ECI) at initial design phase, converting to construction flowing through to testing, commissioning and handover.
